TO PRACTICE NURSING IN THE
STATE OF NEW JERSEY

a nurse until the present date, despite the fact that she had renewed her nursing license as inactive. Respondent maintains that the placing of her license in inactive status had been an error.

The Board finds that respondent's having engaged in the practice of nursing subsequent to the entry into inactive status constitutes the unlicensed practice of nursing in violation of N.J.S.A. 45:11-37 and 45:1-25.

The Board having determined that reinstatement of respondent's license to practice nursing is appropriate, and that the within Order is sufficiently protective of the public, in lieu of further proceedings, and for other good cause shown;

IT IS on this ^{6th} day of *February*, 2015
HEREBY ORDERED AND AGREED that:

1. Respondent's petition for reinstatement of her license to practice nursing in New Jersey is granted upon review and approval of a completed application for reinstatement along with the requisite fees, information and the required Criminal History Background Check.

2. Respondent is hereby assessed a civil penalty in the amount of \$250.00 for the violation of N.J.S.A. 45:11-37 and 45:1-25. Payment shall be in the form of a certified check or

money order, made payable to the State of New Jersey, and shall be submitted simultaneously with this signed Order.
